FROM DEAN CHAPMAN

Today is the Last Day . . .

to add a class, submit a Pass/Fail Election Form or revoke a pass/fail election. There are absolutely no exceptions to the pass/fail deadline.

June, 1994 Graduates

Please check the official graduation list posted on the second floor bulletin board. If your name is not on the list or is not spelled exactly as you want it to appear on your diploma, please see Monique immediately. Seniors should review their records to make sure they will have completed 90 hours at the end of the semester and will have fulfilled all graduation requirements. The Registrar will make an independent analysis of the record of every senior who submitted a Graduation Requirement Analysis Form, but you are responsible for fulfilling the requirements. Please read §§ 1.2 and 1.8 of the Student Handbook.

Registration Forms and Dean's Bar Certificates

The Dean's Certificates for both graduating seniors and 1L students were received by the bar examiners last week. Fall, 1993 entrants are reminded that their Illinois Bar Exam Registration Forms are due on March 1, 1994.

Multistate Professional Responsibility Exam (MPRE)

Senior law students must take the Multistate Professional Responsibility Exam (MPRE) as part of the bar examination requirements in Illinois and many other states. The MPRE is administered separately from the regular bar exam and may be taken within one year prior to graduation from law school. The exam is administered three times a year; in 1994, the dates are March 11, August 12, and November 18. A completed application and the \$35 fee must be postmarked by February 11, July 15, or October 15, respectively. For applicants applying after the deadline, the fee is \$75 and must be received by March 2, August 3, or November 9, respectively. Applications are available in the Registrar's office. Note: the fee must be paid by a cashier's check, money order, or certified check; no personal or business checks are accepted. Apparently the National Conference of Bar Examiners are concerned that an applicant for the professional responsibility exam would actually pay the \$35 fee with a bad personal check!

1994 Summer Session

The 1994 Summer Session schedule is attached to this *Record*. There was an error on the blue summer schedules distributed last week, so they should be discarded. Registration for the Summer Session will not take place until April. Prior to summer registration, the preliminary Fall, 1994 schedule will be distributed and I will schedule meetings to discuss planning your legal education and course selections.

Residency Requirement

Day Division students who need only 84 hours to graduate could conceivably fulfill the credit hour requirements in five semesters and one summer session. However, ABA accreditation rules and law school regulations require a minimum number of semesters "in residence" to receive the degree. Section 1.5 of the Handbook states:

§1.5 Semesters in Residence

A Day Division student must spend at least 6 semesters "in residence" at the College or other ABA-approved law school; a Day Division semester "in residence" is a semester with at least 12 credit hours. An Evening Division student must spend at least eight semesters "in residence" at the College or other ABA-approved law school; an Evening Division semester "in residence" is a semester with at least eight credit hours. If a student attends two summer sessions, the number of semesters required "in residence" may be reduced by one.

Lockers

Fourth-year Evening Division students who want a locker for themselves may submit a locker request form to the Registrar's office this week. Third-year Day Division students may submit a form next week.

SPECIAL NOTICES

Financial Aid Notice

1994-1995 Materials

Financial aid packets for the 1994-1995 academic year are now available in the Office of Admissions and Financial Aid, Suite 230. Students who plan to apply for financial aid for next year should pick up the law school application packet as soon as possible. Please see the notice attached to the back of *The Record* for more information.

LSEL (Law School Electronic Loan Application)

For those students who borrow through Law Access, the electronic loan application (LSEL) is now available on KENTNET. Students still must sign a borrower's certification and a promissory note, but all other information is transmitted electronically.

We have tested LSEL and have found it to be easy to use for both the students and financial aid administrators. Plus, it only takes approximately two weeks for checks to arrive instead of three! Students who borrow through Law Access will want to keep this in mind for next year.

Please note that you should wait until you receive a 1994-1995 financial aid award letter before applying for fall loans.

Supreme Court Decides Chicago-Kent Practice Case

The many of you who attended the Supreme Court practice argument held at the law school last semester with attorney James Sotos for the defendant in *Albright v. Oliver* will be interested in knowing that the Supreme Court ruled in his favor, 7-2, last Monday, Jan. 24. There was no opinion for the Court, though. Chief Justice Rehnquist wrote the four person plurality opinion and three other justices concurred on different grounds. Justices Blackmun and Stevens dissented in an opinion that cited Professor Sheldon Nahmod's section 1983 treatise regarding the nature of section 1983 malicious prosecution actions. The *Albright* opinions are available on Lexis and Westlaw.

International Law Career Day

On Friday, February 11, 1994, the International Law Societies of Chicago-Kent College of Law and De Paul University College of Law will be hosting the 7th annual International Law Career Day.

International Law Career Day will provide students with an overview of various practices in international law. Through a combination of interactive panel sessions and a visit with an international firm or corporation, students will walk away with a better understanding of what an international law practice means.

The introductory panel will feature Cynthia B. Lafuente who is both a Chicago-Kent alum and the founder of Career Day. The remaining panels allow students to focus on a particular area of concentration. Panelists will discuss their area of concentration, growing fields of opportunity, and will provide career advice based on their personal experiences.

After the practice panels, participants will have lunch at the Palmer House. The keynote speaker will talk about the importance of networking in international business activities.

Following lunch, the rotation period will allow students to visit either a Chicago-based law firm or a company which has in-house counsel. Finally, participants wind down at a reception sponsored by Masuda, Funai, Eifert & Mitchell.

The cost of \$30.00 entitles participants to all scheduled activities. ILS will be accepting reservations for Career Day until February 7, 1994. Brochures with registration information will be available on the ILS bulletin board. In addition, ILS members will be accepting reservations throughout the week in the Spaketeria. Current ILS members may apply \$5.00 of their membership dues to cover the cost of Career Day.

CBA Sponsors Large Firm Matching Program for Minorities

For the fourth year, the Chicago Bar Association is sponsoring a special project to provide large firm, summer associate opportunities for first-year Illinois law students who are members of groups, such as African American, Hispanic and Asian, that have been historically underrepresented in large law firms. The goal of this program is to expose students from traditionally underrepresented groups to the large law firm environment by participation in a law firm's summer program.

Chicago-Kent College of Law has accepted the CBA's invitation to participate in the program. Chicago-Kent will provide the CBA with the names of two to three students selected from the categories of groups described above 1) who are interested in being a first-year summer associate at a large firm and 2) whom the law school believes would benefit most from the experience.

The CBA will randomly match Chicago-Kent with a participating law firm. The firm will then interview the Chicago-Kent candidates and select a single student to take part in its Summer Program. The availability of a law school-law firm match will of course be dependent upon an adequate number of participating law firms. The hope is that there will be at least nine participating law firms so that each Illinois law school can be matched to a firm.

Any student wishing to be considered should submit a letter, addressed to Assistant Dean Judith Saunders, explaining why he or she is interested in serving as a summer associate at a large firm and providing any other information that would be useful in the application process. Applicants should attach a resume.

This application packet will be reviewed along with first-semester law school grades and other indicia of past performance. Your law school professors also will be contacted. Based on the available information, the law school will select the two to three candidates who show the most potential to excel in this program and refer those students to the CBA. The dean has appointed several faculty and staff members to act as the selection committee.

Applications should be submitted to Assistant Dean Judith Saunders' office (Room 360) no later than 5:00 p.m., Tuesday, February 8, 1994.

It's Baaaaack!! By Popular Demand, We're Offering Two Spring Sessions of The Myers-Briggs Type Indicator for 1Ls, 2Ls and 3Ls

If you want to know more about your strengths and your working style, the Myers-Briggs workshop is the workshop for you. Students who attended the Myers-Briggs workshop last semester told us that they valued the insights they made in the workshop. They also confided they thought the workshop was a lot of fun!

What is the MBTI? The Myers-Briggs Type Indicator(MBTI) is a psychometric instrument based on the work of Carl Jung and his theory of personality types. The MBTI helps you identify your own behavioral preferences--including how you gather information and how you make decisions. Once you've identified

your "type," you have one more piece of information to help you find your ideal work environment, plan an effective job search, and work with colleagues, supervisors and clients once you're on the job.

An important note: the MBTI is not a "test"--there are no right or wrong answers. Nor is it a career interest inventory--it doesn't tell you whether you should be a lawyer, an insurance salesperson or whether you should have gone to medical school instead of law school!

Are you interested? Here's what to do:

1. Make sure you can attend both Part I and Part II of the day or evening session of the workshop. You must be able to attend both parts of the workshop for it to be worthwhile.

Day session: Part I--Wed., February 9, 3:00 p.m. - 4:00 p.m.
Part II--Wed., February 16, 3:00 p.m. - 4:00 p.m.

Evening session: Part I--Thurs., February 10, 5:00 p.m. - 6:00 p.m.
Part II--Thurs., February 17, 5:00 p.m. - 6:00 p.m.

2. Sign up for the session you plan to attend on the sign up sheet at the reception desk in Career Services. Each session is limited to 40 students, so sign up early.
3. During the week of Jan. 31 through February 4, find a spare half hour of time and stop by the Career Services Office to complete the MBTI. The Myers-Briggs type indicator is available from Lisa Abrams. You must complete the indicator by February 4 in order to participate in the workshop! The indicator must be completed in the Career Services Office -- we cannot allow MBTI question booklets to leave the office.
4. Come to the workshop prepared to learn about how you think and how you make decisions. Be prepared for some interactive exercises that will make the MBTI come alive!

FROM SBA PRESIDENT JUDY AMSEL

Welcome back to school for yet another week at the old grindstone. I'm sure that everyone enjoyed the record breaking cold, and was relieved that the new building was able to withstand the extreme temperatures. We wouldn't want the building to shut down, forcing us to miss classes!

The SBA Board of Governors will be meeting on Wed. Feb. 2 at 5 p.m., room to be announced. This is a very important meeting, and all BOG members must attend! We will be attempting to ratify the proposed Spring 1994 budget and adopt the Constitutional changes agreed upon at previous meetings (text follows). If you will not be at the meeting you MUST tender a written proxy.

Proposed changes:

BY-LAWS, Article VI: AWARDS

Sec. 1. Bar and Gavel Society

(a) Membership in the Society shall be by way of an award, presented to a maximum of twelve (12) graduating seniors [three (3) graduating in the January class and nine (9) graduating in June] who distinguished themselves by outstanding service to their fellow students, their school, and their community. The Society places emphasis on rewarding unrecognized service. Some factors considered are: . . .

This would change the maximum number of awards from six (6), which was set last year, and specify the distribution between January and June graduates based on the relatively small size of the January graduating class. Summer graduates are included in the June class. The Society is not required to award all twelve (12) positions if there are fewer nominations or if they do not feel that all nominees deserve the award.

CONSTITUTION, Article IX: SBA LECTURES

Sec. 1. The SBA shall sponsor two speakers programs during the school year. One program shall be held during the fall semester and be known as the "SBA Fall Lecture." The second program shall be held in the spring semester and be known as the "Law Day Speaker Program."

Sec. 2. The Board of Governors shall see to it that sufficient funds are set aside for the "SBA Fall Lecture" in the fall semester budget, and for the "Law Day Speaker Program" in the spring semester budget.

Thanks to all who donated clothing during the SBA/PAD clothing drive last semester. The clothing was picked up by the Brass Foundation, which distributes the items through their substance abuse recovery program. They were extremely appreciative. Some of you have continued to leave donated items on the Concourse level. The Ark will be picking those items up on Monday, January 31st. Please do not leave any more donations on the Concourse after that time!!!! The SBA will be holding another clothing drive in April during Law Week, and will welcome your contributions then.

The Dean's Advisory Council schedule has been set as follows:

Tuesday, February 22, 11:45 a.m., Room 370

Thursday, March 10, 5:00 p.m., Room 570

Wednesday, March 23, 3:00 p.m., Room 570

Tuesday, April 5, 11:45 a.m., Room 370

Thursday, April 21, 5:00 p.m., Room 570

There are two openings to be filled on the current SBA Board of Governors due to January graduation and resignation. Anyone interested in completing the term of office for either the 2nd year Evening Representative or the Evening ABA representative, please contact either Judy Amsel or Tom Stovall by email.

Thanks to all who participated in the National ABA Work-A-Day program on Saturday! You can be very proud of your efforts to share your good fortune with those in need during these difficult times. Who says that lawyers don't have hearts? Look for a more tangible thank you to come from the SBA in the near future...

That's all for now. Same time, same channel next week...

RE: **CRITICAL INFORMATION REGARDING:**
FINANCIAL AID AND MERIT-AND-NEED-BASED SCHOLARSHIPS

The 1994-1995 financial aid application forms are now available in the Office of Admissions and Financial Aid, Suite 230.

Once again, the time of year has arrived for you to begin the process of applying for financial aid for next year. Please take note of the calendar of important dates below; I suggest that you save this memo for future reference. Your financial aid, whether a loan and/or a merit-and-need-based scholarship, depends on it.

We have prepared folders containing the applications, as well as information to assist you with the application process. Please be sure to read through the entire packet. There were many changes to the financial aid application process last year and there will be a few more for next year. The application packets can be obtained in the Office of Admissions and Financial Aid, Suite 230.

Please note that the April 1 deadline occurs during spring break (the dates for spring break are March 27 - April 3). If you plan to leave town, please be sure that you arrange to have your application materials in the Office of Admissions and Financial Aid by April 1.

To be eligible for all forms of financial aid you must meet the deadlines listed below.

Calendar of Important Dates:

By March 7

Submit your R.S.V.P. to the Office of Admissions and Financial Aid for one of the four "Help Sessions" being held this year. (The R.S.V.P. is in the financial aid packet.)

By April 1

1. The Free Application for Federal Student Aid (FAFSA) should be received by the processor in London, KY no later than April 1. A pre-addressed envelope is enclosed with the FAFSA booklet. Plan to mail it in sufficient time to meet the deadline.
2. Your Chicago-Kent College of Law Financial Aid Application should be received by the Chicago-Kent College of Law Office of Admissions and Financial Aid, Suite 230, no later than April 1. All sections of the application must be complete in order for them to be accepted.

NOTE: The April 1 deadline is a strict deadline. This deadline is the cut-off date for determining the allocation of merit-and-need-based scholarships.

By May 16

1. After you file the FAFSA, you will be sent the Student Aid Report (SAR). All pages of the SAR should be in the Office of Admissions and Financial Aid by May 16, even though it will say that you are not eligible for the Pell Grant (Pell Grants are for undergraduates only). Be sure to complete the Student's Use Box on the back of page one.

Corrections: If you need to make corrections to your SAR, be sure to send a copy of the SAR, with all of the corrections indicated, to the Office of Admissions and Financial Aid. Send the original to the address on the back of the SAR. A revised SAR will be mailed to you approximately two weeks after the corrections are received at the processor. Make sure that you sign the report where indicated or the revisions will not be made.

2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Statement. These materials and your SAR must be returned before a financial aid award will be determined for you.

By June 1

You should sign and return your financial aid award letter to the Office of Admissions and Financial Aid by June 1, or within three weeks of the date printed on the award letter if you received it after June 1.

By July 1

You are expected to turn in student loan applications from the lender of your choice by July 1. Loan applications for Law Access, LAWLOANS, Chase Manhattan, and any Illinois bank are available in the Office of Admissions and Financial Aid, Suite 230. However, the office has a limited supply of applications so it is best to contact your lender directly to obtain the necessary application.

We are ready to help if you need assistance--just call the Office of Admissions and Financial Aid at (312) 906-5180.

Thank you for your cooperation.
